SONY HD (High Definition) Camera Module network control Board Introductior

Designed for SONY FCB HD integrated movement module. It can be compatible with SONY HD FCB-EH/CH/EV/CV 3410/3310/3150/6300/6500/7500/7520/7100/5500/ 7300/7310/5300 and other modules. Wide range of applications. APPLICATION for Safe Security, Intelligent transport, Fight equipment, Broadcast & Pro A/V, Projectors, Midical, Visual Communications, Professional Display, Network Camera Systems.

HD Camera Application for following,

Drone Aerial Photography

Video Conference Camera

Intelligent high speed Camera

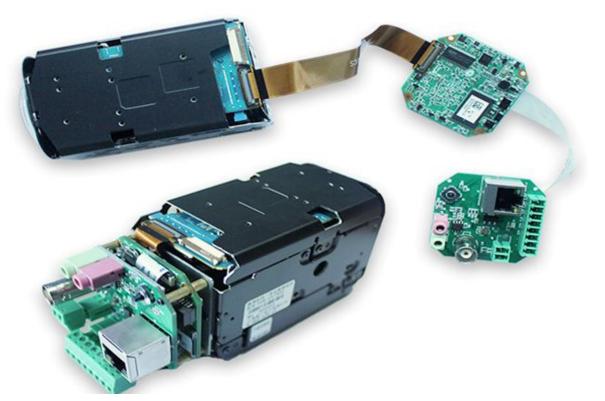

Broadcast & Pro A/V

Education Record System

Infrared thermal imaging

The set of control boards including 2 PCBs. One is network model board of signal Processing. module board, the other is a HD Camera control interface board.
